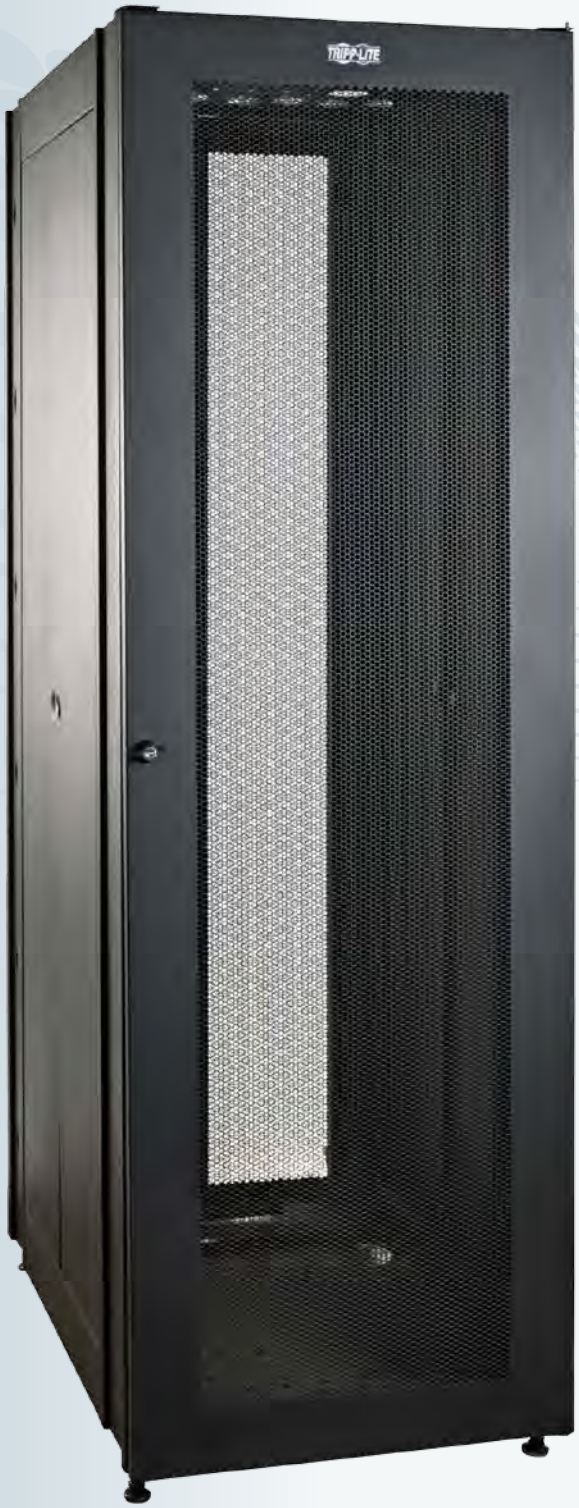
NEW PRODUCT!

SR42UBEVS SmartRack® Value Series 42U Rack Enclosure

Economical Rack Enclosure Offers an Abundance of Features at an Unbeatable Price



Tripp Lite's new SR42UBEVS Value Series Rack Enclosure is a cost-effective solution for organizing and securing rackmount equipment in high-density server, network and telecom applications. Optimized for quick configuration and reconfiguration, its lightweight steel frame ships disassembled for easy transport to remote locations and can be assembled in a matter of minutes. The SR42UBEVS is compatible with Tripp Lite's extensive range of rackmount accessories, giving you the flexibility you need to adapt to any application.

Key Features:

- Lightweight steel frame ships disassembled for easy transport to remote locations
- Easy to assemble with very few tools required
- Pre-installed front and rear doors
- Full-length side panels, roof and bottom panel with cable access ports
- Sturdy construction with durable powder coat finish stands up to harsh environments
- Front and rear sets of adjustable equipment mounting rails
- Accessory mounting rails with toolless mounting slots accommodate a wide variety of PDUs and cable managers
- Convenient, pre-connected door ground wires ensure that all components are grounded to the enclosure frame
- Compatible with Tripp Lite's SmartRack accessories, including the SRCASTER and SRFANWM
- Backed by a 5-year warranty
